Meeting and discussion on

**Evolution of sponge fishing in the
Mediterranean Sea**

International scientists (Greece, France, Tunisia, Croatia) will be here to present results of a scientific program and to discuss with you the future of sponge fishing in Kalymnos and more generally in the Mediterranean.

At the end, projection of a Greek documentary:

Kalymnos “The Island of sponge fishermen” by Vasilis Maros, 1963 (duration 20mn).

We invite you

On Wednesday October 24th 2018

To the Dodecanese Chamber of commerce
 (“Epimelitirio”) Kalavrou 6 in Kalymnos

From 17:00 to 20:00
